Tobacco Use

Question **Voluntary Critical Illness Election Tobacco Attestation**

Have you or your spouse (if enrolling) used any form of tobacco product (ie cigarettes, cigar, pipe, chew, etc.) in the past 12 months? If so, your rates on the Voluntary Critical Illness insurance will be higher than non-tobacco users. Failure to pay the applicable tobacco rate if you are a user may result in claim denial.

NOTE: This attestation is for Voluntary Critical Illness only.

I understand the benefits I elect here will remain in effect during the plan year for which I made the election and that I cannot make changes to these elections unless I experience a qualified change in status event, as described in the Summary Plan Description. If I have a change in status event, I understand that I must notify Human Resources and complete the necessary paperwork/process within 30 days of the event. If I have declined any plans, I certify that they have been explained to me and I do not wish to participate. I understand that adjustments to contributions, deductibles, co-payments and out-of-pocket limits are determined on an annual basis and that BorgWarner has the right to modify, suspend or end the benefits that I have elected, in whole or in part, at any time. I authorize BorgWarner to deduct my contributions from my pay until I revoke them in writing. I understand that if I do not use all the contributions I make to a Health Care FSA by end of the plan year (December 31st), only the lesser of my account balance or \$500 may be carried over into the next plan year and any amount above \$500 will be forfeited in accordance with IRS rules. I understand that if I do not use all the contributions I make to a Dependent Care FSA by the end of the plan year (December 31st), any remaining balance will be forfeited in accordance with IRS rules. When I am eligible and enroll a dependent under one or more of the BorgWarner medical, dental, vision plans, Health Care FSA and/or Dependent Care FSA Plans, I understand that I am solely responsible, in consultation with my own tax advisor, to determine whether or not I will be subject to any imputed income tax as a result of such dependents' coverage. Generally, a spouse and a tax-dependent as defined under Code Section 152 shall qualify for tax-free treatment under the BorgWarner medical, dental, vision, and FSA benefits. In this regard, I understand that BorgWarner will not impute any income tax with respect to my enrolled spouse and/or dependent-children covered under the BorgWarner medical, dental, vision, and FSA benefits. I understand that I must notify HR within 30 days of either of the following events: (i) when my enrolled dependent no longer qualifies as my spouse or tax-dependent under Code Section 152 (as described in the Summary Plan Description) and thus BorgWarner should impute income tax for the value of such dependent's coverage, or (ii) when any enrolled dependent ceases to satisfy any of the eligibility requirements to qualify as my spouse or other dependent. Failure to timely notify Human Resources of such change may result in such dependent's coverage being retroactively terminated and a loss of your dependent's right to elect COBRA continuation coverage. I understand that knowingly providing false information may be grounds for termination of employment and that any person who knowingly and with intent to defraud, submits an application or files a claim containing any materially false or misleading information, commits a fraudulent act, which is a crime. BorgWarner may seek reimbursement from me in the amount of any and all claims that have been paid on behalf of an ineligible dependent.
