## Cigna Dental Benefit Summary BorgWarner Inc. (Ithaca Hourly Actives-DPO3) Plan Renewal Date: January 1, 2024

Administered by: Cigna Health and Life Insurance Company

This material is for informational purposes only and is designed to highlight some of the benefits available under this plan. Consult the plan documents to determine specific terms of coverage relating to your plan. Terms include covered procedures, applicable waiting periods, exclusions and limitations. Your DPPO plan allows you to see any licensed dentist, but using an in-network dentist may minimize your out-of-pocket expenses.

|---|---|---------------------------|-------------------------|-------------------------|--|
| <i>impacted teeth</i> (ADA Codes: 7220, 7230, 7240, 7241) | After Annual Deductible   | After Annual Deductible   | After Annual Deductible | After Annual Deductible |  |
| Benefit Plan Provisions:                                  |   | ·                         |                         |                         |  |
| In-Network Reimbursement                                  | For services provided by a Cigna Dental PPO network dentist, Cigna Dental will reimburse the dentist according to a Fee Schedule or Discount Schedule.  |                           |                         |                         |  |
| Non-Network Reimbursement                                 | For services provided by a non-network dentist, Cigna Dental will reimburse according to the Maximum Reimbursable Charge. The MRC is calculated at the 90th percentile of all provider submitted amounts in the geographic area. The dentist may balance bill up to their usual fees.   |                           |                         |                         |  |
| Cross Accumulation  | All deductibles, plan maximums, and service specific maximums cross accumulate between in and out of network. Benefit frequency limitations are based on the date of service and cross accumulate between in and out of network.  |                           |                         |                         |  |
| Calendar Year Benefits Maximum                            | The plan will only pay for covered charges up to the yearly Benefits Maximum, when applicable.<br>Benefit-specific Maximums may also apply.   |                           |                         |                         |  |
| Calendar Year Deductible                                  | This is the amount you must pay before the plan begins to pay for covered charges, when applicable.<br>Benefit-specific deductibles may also apply.   |                           |                         |                         |  |
| Pretreatment Review                                       | Pretreatment review is available on a voluntary basis when dental work in excess of \$200 is proposed.  |                           |                         |                         |  |
| Alternate Benefit Provision                               | When more than one covered Dental Service could provide suitable treatment based on common dental standards, Cigna will determine the covered Dental Service on which payment will be based and the expenses that will be included as Covered Expenses.   |                           |                         |                         |  |
| Oral Health Integration Program<br>(OHIP)                 | The Cigna Dental Oral Health Integration Program offers enhanced dental coverage for customers with certain medical conditions. There is no additional charge to participate in the program. Those who qualify can receive reimbursement of their coinsurance for eligible dental services. Eligible customers can also receive guidance on behavioral issues related to oral health. Reimbursements under this program are not subject to the annual deductible, but will be applied to the plan annual maximum. For more information on how to enroll in this program and a complete list of terms and eligible conditions, go to www.mycigna.com or call customer service 24/7 at 1-800-Cigna24. |                           |                         |                         |  |
| Timely Filing   | Out of network claims submitted to Cigna after 365 days from date of service will be denied.  |                           |                         |                         |  |
| Benefit Limitations:                                      |   |                           |                         |                         |  |
| Oral Evaluations/Exams                                    | 2 per calendar year   |                           |                         |                         |  |
| X-rays (routine)  | Bitewings: 2 per calendar year  |                           |                         |                         |  |
| X-rays (non-routine)                                      | Complete series of radiographic images and panoramic radiographic images: Limited to a combined total of 1 per 36 months.   |                           |                         |                         |  |
| Diagnostic Casts  | Payable only in conjunction with orthodontic workup.  |                           |                         |                         |  |
| Cleanings   | 2 per calendar year, including periodontal maintenance procedures following active therapy.   |                           |                         |                         |  |
| Fluoride Application                                      | 1 per calendar year months for children under age 19.   |                           |                         |                         |  |
| Sealants (per tooth)                                      | Limited to posterior tooth. 2 treatments per tooth per lifetime for children under age 19.  |                           |                         |                         |  |
| Space Maintainers   | Limited to non-orthodontic treatment for children under age 19.   |                           |                         |                         |  |
| Crowns, Bridges, Dentures and Partials                    | Replacement every 60 months if unserviceable and cannot be repaired. Benefits are based on the amount payable for non-precious metals. No porcelain or white/tooth-colored material on molar crowns or bridges.   |                           |                         |                         |  |
| Denture and Bridge Repairs                                | Reviewed if more than one   | ce.                       |                         |                         |  |
| Denture Relines, Rebases and Adjustments                  | Covered if more than 6 mo   | onths after installation. |                         |                         |  |
