## WE ASSIST YOU... IN THE EVENT OF A MEDICAL OR SECURITY EMERGENCY

### MEDICAL ASSISTANCE:

- Emergency medical evacuation/repatriation
- Compassionate visit and family travel assistance
- Transportation in the event of death, assistance with legal aspects of repatriation of mortal remains
- Hospital follow-up, control of healthcare expenses

### SECURITY ASSISTANCE:

- Recommendations in the event of an emergency or critical event
- Organization of the evacuation of repatriation by our teams of in-field experts, through to the final destination

### For More Information

Please consult the [Global Security](#) intranet page for information on the Global Travel Assistance Program, travel security, and the secure travel options available to you as a BorgWarner business traveler.

---

For more information on the International SOS program, please visit [International SOS](#).

### When Booking Travel

Remember to book or register domestic and international business travel through [Carlson Wagonlit](#), which allows the Global Security team to track your travel (transportation, lodging, check-in). In the event of an emergency situation, Global Security will connect with you to discuss the security implications and manage required security assistance.

## Download the International SOS Assistance App today

Available in the App Store, Google Play and App World.

When starting the app, login with your Membership ID to activate the service.
