EVIDENCE OF COVERAGE Snapshot

For Retirees of 90-93 IND5

Please Note: This document provides additional details for the Medicare prescription drug coverage outlined in your Evidence of Coverage booklet. Both this Snapshot document and your Evidence of Coverage booklet are important legal documents and should be kept together in a safe place.

Your Medicare Prescription Drug Coverage as a Member of Cigna-HealthSpring Rx (PDP) Medicare Prescription Drug Plan

Please see Chapter 4, Section 2.1 in your Evidence of Coverage booklet for a detailed description of the table shown below.

What you pay for a drug depends on which “drug payment stage” you are in when you get the drug.

As shown in the table on the next page, there are “drug payment stages” for your prescription drug coverage under Cigna-HealthSpring Rx (PDP). How much you pay for a drug depends on which of these stages you are in at the time you get a prescription filled or refilled. Keep in mind you are always responsible for the plan’s monthly premium regardless of the drug payment stage.

Please call our customer service number at 1-800-558-9562 (TTY 711), 8 a.m. – 8 p.m. local time, 7 days a week. Our automated phone system may answer your call during weekends from April 1 – September 30.
