

# Interview Tips

## Prepare for your interview

- **Get to know the Company!**
  - Explore the company's website, LinkedIn page, glassdoor etc to learn more about them.
- **Prepare your answers**
  - Prepare to be asked why you have applied for the role and the company.
  - Review the job description and prepare examples of where you have shown the skills that are listed.
- **Practice makes perfect**
  - If you feel nervous, it can be useful to create some practice questions and run through your answers in advance with a friend or family member.
  - Remain aware that want your answers to sound authentic and not too scripted.
- **Prepare your questions**
  - Prepare questions that you want to ask the interviewers!

## During your interview

- **Arrive on time!**
  - For a virtual interview, we recommend you log on 5 minutes early in case of technical difficulties.
  - If you can't resolve the technical difficulties before the interview start time, reach out to your company contact to explain the situation.
- **Present yourself well!**
  - Be aware of your choice of outfit and ensure it is appropriate for the interview.
  - Be present and stay focused on your interviewer.
  - For video interviews, arrange to be in a quiet and private space with a professional background.
- **Be yourself!**
  - The most important thing in interviews is that you be yourself, don't try to answer based on what you think the interviewer wants to hear.
  - Give honest answers that are true to who you are.
  - Try as much as possible to evidence your answers by giving examples.
