ROHS Declaration

Statement with regards to the Directive 2011/65/EU with amendment 2015/863/EU on the restriction of use of certain hazardous substances in electrical and electronic equipment (RoHS).

Products: IPERION120
Part number: 0001015xxxxxxx

On January 3rd 2013, Directive 2011/65/EU (RoHS3) on the restriction of the use of certain hazardous substances in electrical and electronic equipment replaced Directive 2002/95/EC (RoHS).

According to our current best knowledge and according to the information provided by suppliers, Borgwarner Systems Lugo S.R.L states that manufactured Fast Chargers and related accessories comply with the materials and substances restrictions in Directive 2011/65/EU (RoHS3) and Amendment Directive (EU) 2015/863.

Sincerely,
