

Volker Weng

Vice President and President
and General Manager of
BorgWarner Turbos and
Thermal Technologies

Dr. Volker Weng was appointed Vice President and President and General Manager of BorgWarner Turbos and Thermal Technologies in July 2024. In this role, Weng oversees BorgWarner's global Turbos and Thermal Technologies business.

Prior to his current role, Weng held top positions in other BorgWarner businesses including President and General Manager, Drivetrain and Battery Systems and Transmission Systems and President and General Manager, Emissions and Thermal Systems. Weng has held a number of positions since joining BorgWarner in 2004, including Vice President and General Manager Turbo Systems Asia and Europe for Emissions and Thermal Systems; General Manager Turbo Systems China; and Director of Operations of the Kirchheimbolanden, Germany plant.

Prior to joining BorgWarner, Weng worked at FEV in advanced engine technology with increasing responsibilities within the engine simulation team.

Weng holds a diploma degree in mechanical engineering, a Doctorate in combustion engines from Karlsruhe University, and a Master of Business Administration from Mainz University.
