

Brady D. Ericson

**Vice President of BorgWarner Inc. and
President & GM, Morse Systems**

Brady Ericson was named Vice President of BorgWarner Inc. and President & GM of Morse Systems in June 2019. In this role Ericson is responsible for BorgWarner's global Morse Systems business. Prior to this role Ericson held a number of positions of increasing responsibility since joining BorgWarner in 2000. These include: Chief Strategy Officer, President and General Manager, Emissions Systems; Vice President and General Manager, Emissions Systems; Vice President, Global Manufacturing Strategies for Turbo and Emissions Systems; Vice President, Operations China and Korea, Turbo and Emissions Systems; and several other roles in operations, engineering and sales.

Prior to joining BorgWarner, Mr. Ericson held various sales and engineering positions with Honeywell (formerly AlliedSignal) and Ford Motor Company.

Mr. Ericson holds a Bachelor of Science degree in Mechanical Engineering from Kettering University and a Master of Business Administration from Duke University.
