

Brady D. Ericson

Executive Vice President and Chief Strategy Officer
BorgWarner Inc.

Brady Ericson was named Executive Vice President and Chief Strategy Officer of BorgWarner in January, 2017.

Previously, Mr. Ericson was Vice President and Officer of the Company and President and General Manager of BorgWarner Emissions Systems since September 2011.

Mr. Ericson has held positions of increasing responsibility since joining the Company in 2000, including positions in senior engineering, sales, manufacturing, and general management. His time with the company has been spent in the United States as well as on international assignments in Germany, Spain, South Korea and China. Prior to his current position, he served as Vice President

and General Manager of BorgWarner Emissions Systems; Vice President, Global Manufacturing Strategies for BorgWarner Turbo and Emissions Systems; Vice President, Operations—China and Korea for BorgWarner Turbo and Emissions Systems, and several other operational, engineering, and sales related positions.

Prior to joining BorgWarner, Mr. Ericson held various sales and engineering positions with Honeywell (formerly AlliedSignal) and Ford Motor Company.

Mr. Ericson holds a BS in Mechanical Engineering from Kettering University and an MBA from Duke University.
