

Joel Wiegert

**Vice President of BorgWarner Inc.
and President and General Manager, Morse Systems**

Joel Wiegert has been President and General Manager of BorgWarner Morse Systems since January 2017. In this role Wiegert oversees BorgWarner's global Morse Systems business.

Prior to his current position he was President and General Manager, BorgWarner Thermal Systems.

Joel joined BorgWarner in February 2002 as a business manager for BorgWarner Turbo Systems. Since then he has held positions with increasing levels of responsibility, including Plant Manager, North American Passenger Car, BorgWarner Turbo and Emissions Systems; General Manager China,

BorgWarner Turbo and Emissions Systems; Vice President and General Manager Asia and Americas, BorgWarner Turbo Systems; and Vice President and General Manager Americas, LV Aftermarket and Integration, BorgWarner PowerDrive Systems.

Prior to joining BorgWarner, Mr. Wiegert held engineering positions of increasing responsibility with Dana Corp.

Joel holds a Bachelor of Liberal Arts degree from Wheaton College (IL), a Bachelor of Science degree in Mechanical Engineering from the Illinois Institute of Technology and an Executive Master of Business Administration degree from Bowling Green State University.
