

Robin Kendrick

**Vice President of BorgWarner Inc.
and President and General Manager, Turbo Systems**

Robin Kendrick is an officer of the company and a member of the Management Board and since January 2018 he serves as the President & General Manager of BorgWarner Turbo Systems. In this role, Robin oversees BorgWarner's global Turbo Systems business, which includes 13 sites across the globe.

Prior to this position, Robin was President and General Manager, Transmission Systems.

Before joining BorgWarner in 2011, Robin worked at RGF-AG, a spin-off of Acument Global Technologies, as President and Chief Executive Officer.

He also was Vice President and General Manager at American Axle & Manufacturing for the Driveshaft and Halfshaft Operations.

Robin holds a bachelor's degree in Mechanical Engineering from the University of Leeds in the U.K.

He serves as a board member of CLEPA (European Association of Automotive Suppliers) based in Brussels, Belgium.
