

# Dr. Stefan Demmerle

**Vice President of BorgWarner Inc.  
and President and General Manager, PowerDrive Systems**

Dr. Stefan Demmerle has been President and General Manager of BorgWarner PowerDrive Systems since November 2015. In this role Demmerle is responsible for BorgWarner's global PowerDrive Systems business. Prior to this role he was the President and General Manager of BorgWarner TorqTransfer Systems.

Prior to joining BorgWarner in 2012, Dr. Demmerle became Vice President of the powertrain electronics business at Continental from 2010 to 2012 after leading Continental Diesel Systems (formerly known as Siemens Diesel Systems Technology) as President and CEO from 2006 to 2010.

He previously held positions of increasing responsibility within Siemens VDO Automotive in the transmission and engine electronics businesses both in France and worldwide.

Dr. Demmerle began his career in France with assignments in sales and program management for automotive engine components. He holds a master's degree in Mechanical Engineering from the Technical University of Munich, Germany, as well as a Ph.D. in Mechanical Engineering from the Institut Polytechnique de Grenoble, France.
