BORGWARNER PRESENTS 2013 INNOVATION AWARDS

Top Employees Honored with Innovation Excellence Award

Auburn Hills, Michigan, July 10, 2014 – BorgWarner honored 119 employees from its worldwide operations for operational excellence, product development, customer excellence and collaboration. President and Chief Executive Officer James R. Verrier personally presented 21 winners from this select group with the Innovation Excellence Award for their exceptional contributions to the company's success.

“The passionate pursuit of innovation and excellence motivates our employees to seek and drive the next technology waves in the automotive industry. I believe this entrepreneurial spirit sets BorgWarner apart and is vital to our continued success,” said Verrier. “Congratulations to all of this year's winners. We are very proud to recognize their outstanding accomplishments.”

About BorgWarner

BorgWarner Inc. (NYSE: BWA) is a product leader in highly engineered components and systems for powertrains around the world. Operating manufacturing and technical facilities in 60 locations in 19 countries, the company delivers innovative powertrain solutions to improve fuel economy, reduce emissions and enhance performance.
