**BORGWARNER RECEIVES**  
**2014 SUPPLIER QUALITY EXCELLENCE AWARD FROM GM INDIA**

*BorgWarner Facility in Manesar, India, Recognized for  
Delivering Highest Levels of Quality*

*Auburn Hills, Michigan, January 27, 2015* – BorgWarner’s manufacturing plant in Manesar, India, was presented with a 2014 Supplier Quality Excellence Award from GM India. The award recognizes top-performing suppliers that meet or exceed GM’s stringent quality criteria for timely delivery, high-quality products, smooth production processes and maintaining quality systems such as ISO/TS16949.

“At BorgWarner, we are driven to improve fuel economy, emissions and performance for vehicles around the world,” said Brady Ericson, President and General Manager, BorgWarner Emissions Systems. “Congratulations to our employees for their commitment to delivering quality excellence and achieving this impressive honor.”

BorgWarner’s Manesar facility produces exhaust gas recirculation coolers for GM Thailand and Brazil.
